

Your **Preferred** Manufacturing Partner for **Pharmaceuticals Products**

Plot No. 415, G.I.D.C, Sector 28, Gandhinagar-382041

AELICURE HEALTHCARE Pvt. Ltd

ABOUT US :

- Aelicure Healthcare Pvt. Ltd : Precision in Pharmaceuticals
- Aelicure Healthcare Pvt. Ltd is a dedicated pharmaceutical manufacturing company committed to delivering exceptional healthcare solutions. With a strong emphasis on quality, innovation, and patient well-being, we specialize in producing a wide range of pharmaceutical tablets and capsules.
- Our state-of-the-art manufacturing facility adheres to stringent regulatory standards, ensuring the highest levels of purity, potency, and safety in every product we create. Backed by a team of experienced professionals and cutting-edge technology, we are at the forefront of pharmaceutical development.
- We are dedicated to collaborating with healthcare providers and patients to address unmet medical needs and improve lives. Our commitment to excellence drives us to continuously explore new frontiers in pharmaceutical science, delivering innovative products that enhance health outcomes.

Our focus on quality, consistency, and compliance makes us a trusted partner in the pharmaceutical industry.

Manufacturing

- Precision and dedication define our commitment to excellence in every product we create.

Innovation

- We are driven by a relentless pursuit of creativity, continually pushing boundaries and pioneering the future.

Quality

- Our unwavering commitment to uncompromising standards ensures guaranteed satisfaction for our customers.

Regulatory

- We uphold the highest ethical and legal standards, consistently delivering on our promise of compliance and Integrity.

R&D

- We advance through continuous research and development efforts, staying at the forefront of Innovation.

What We Do at Aelicure Healthcare Pvt. Ltd

Aelicure Healthcare Pvt. Ltd is a leading pharmaceutical manufacturing company specializing in the production of high-quality Pharmaceutical products. Our core competencies include:

Product Development and Manufacturing

- **Formulation Development:** Creating innovative and effective Pharmaceutical formulations to address specific health needs.
- **Product Development:** Conducting research, development, and testing to bring new and improved products to market.
- **Manufacturing Excellence:** Producing a wide range of Pharmaceutical products, including tablets and capsules adhering to stringent quality standards.
- **Quality Assurance:** Implementing robust quality control measures throughout the manufacturing process to ensure product consistency and safety.

Contract Manufacturing Services

- **Third-Party Manufacturing:** Offering contract manufacturing services to other pharmaceutical companies.
- **Customized Solutions:** Tailoring manufacturing processes to meet specific client requirements and specifications.

Research and Development

- **Scientific Research:** Conducting ongoing research to explore new ingredients, formulations, and delivery systems.
- **Innovation:** Developing cutting-edge nutraceutical products to stay ahead of industry trends.

Quality and Compliance

- **WHO-GMP Adherence:** Strictly following WHO-Good Manufacturing Practices (WHO-GMP) guidelines to ensure product quality and safety.
- **Regulatory Compliance:** Complying with all relevant regulatory requirements and certifications.

By combining our expertise, state-of-the-art facilities, and unwavering commitment to quality, we deliver exceptional pharmaceutical products that contribute to improved health and well-being.

Why Choose Aelicure Healthcare for Pharmaceutical Manufacturing?

Aelicure Healthcare Pvt. Ltd stands out as a preferred choice for pharmaceutical manufacturing due to its unwavering commitment to quality, innovation, and patient care. Here's why:

Uncompromising Quality

- **Adherence to WHO-GMP Standards:** Stringent adherence to WHO Good Manufacturing Practices (WHO-GMP) ensures product consistency and safety.
- **State-of-the-Art Facilities:** Advanced manufacturing infrastructure and cutting-edge technology guarantee product excellence.
- **Rigorous Quality Control:** Comprehensive quality checks at every stage of production maintain the highest standards.

Expertise and Innovation

- **Experienced Team:** A team of skilled pharmaceutical experts drives innovation and product development.
- **Custom Formulation:** Ability to tailor products to specific needs and market demands.

- **Research and Development:** Continuous investment in research to develop advanced pharmaceutical solutions.

Patient Focus

- **Safety First:** Prioritizing patient safety through rigorous testing and quality assurance.
- **Efficacy:** Developing products that deliver optimal therapeutic benefits.
- **Compliance:** Adherence to regulatory guidelines for product approval and market access.

Reliability and Partnership

- **On-Time Delivery:** Consistent and timely delivery of products to meet customer demands.
- **Strong Supply Chain:** Reliable sourcing of raw materials to ensure uninterrupted production.
- **Customer-Centric Approach:** Building long-term partnerships based on trust and mutual success.

Choose Aelicure Healthcare for pharmaceutical manufacturing that prioritizes quality, innovation, and patient well-being.
